CATHOLIC DIOCESE OF KALAMAZOO

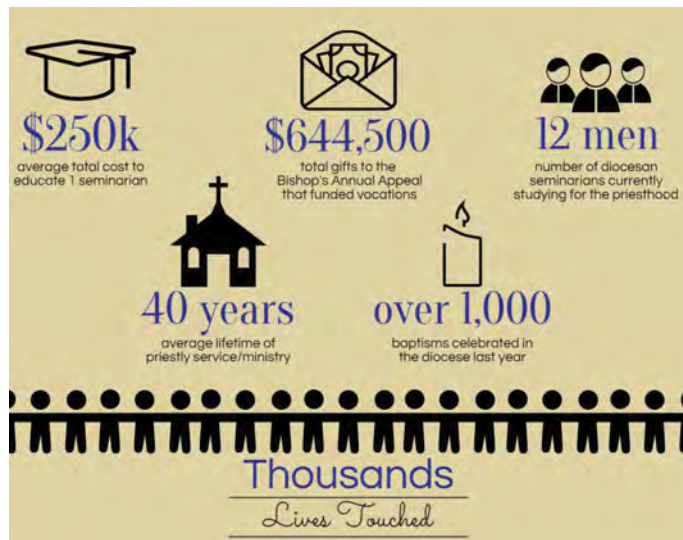

Rev. Daniel Hyman ordained to the priesthood by Bishop Paul J. Bradley – 2012

The lifetime journey of a Priest begins with a “yes” and culminates with decades of ministry transforming the lives of thousands of people. After years of study, formation and discernment, a seminarian is ordained a Priest and commits his life to bringing the Good News to all those he encounters. Our priests baptize us, guide us through our darkest moments, and anoint our loved ones, preparing their journey into Heaven. Most importantly, they celebrate the Eucharist, the source and summit of our lives and preserve the Sacramental life of our Church.

 Your investment in the **Bishop’s Annual Appeal** is an investment in eternity. A portion of gifts to the appeal support seminarian educational costs which in turn yield a lifetime of transformed lives through the ministry of our Priests. Thank you

Thank you for your investment in eternity. Generous gifts to the Bishop’s Annual Appeal help assist with seminarian formation for Diocesan Priests such as Fr. Dan Hyman, Pastor, St. Mary of the Lake Parish, New Buffalo.
